

# National Mfg. Network Co.

PN# N-B-40.2W new Billboard LED designed lighting fixture has many features and universal mounting along with a durable powder coated finish.

12 Volt or 24 Volt DC 40.2 Watt Bright White LEDS captured around a multiple angled lighting design.

All Aluminum Fixture for best heat dissipation along with top and bottom venting.

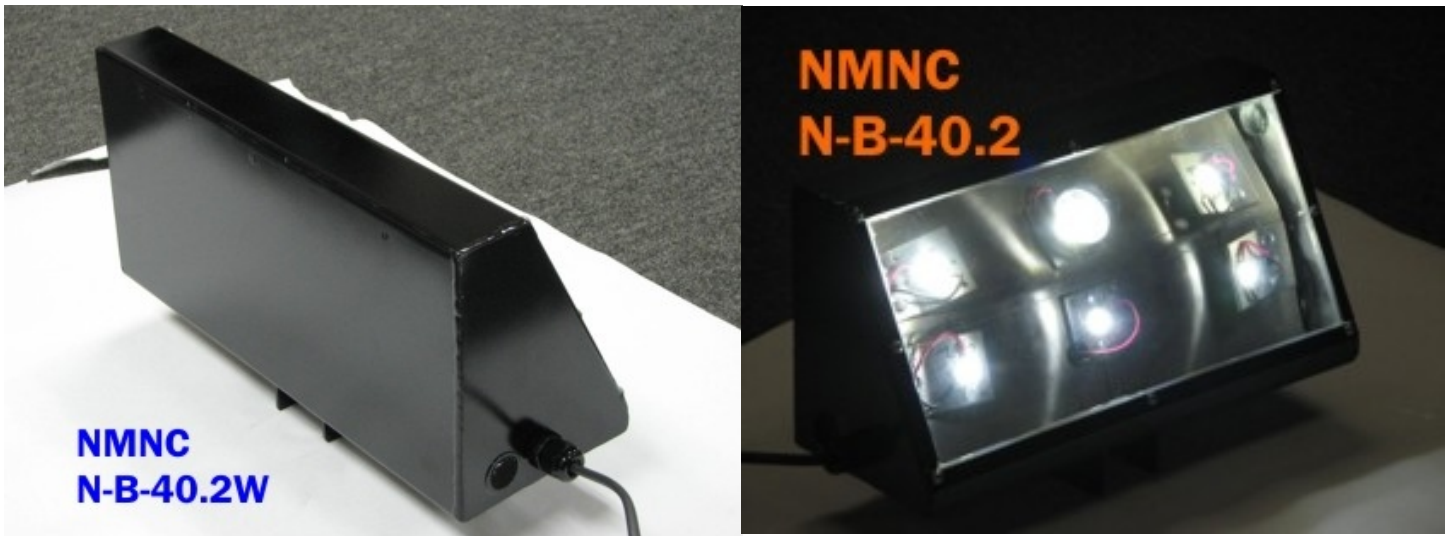

Custom aluminum machined led light bezel held in with S.S. tamper proof machined screws.

Clear unbreakable 1/4" thick lexan lens is durable and shock resistant.

The PN# N-B-40.2 can be mounted in two positions vertical and horizontal with a 5 degree adjustment positive or negative, and mounts to a 2" x 2" square tube.

The foot print is 16" x 8" x 6" Formed Heavy Aluminum

The illumination matrix is based on 5000K bright white LED's 40.2 watt DC load 8ft away from wall.
